EDUCATION

Delhi Technological University

Bachelor of Technology in Software Engineering; CGPA: 8.62/10.0

New Delhi, India

Aug. 2023 – May 2027

RPVV Paschim Vihar

CBSE Class XII: 92.4% (2022) Class X: 93.6% (2020)

New Delhi, India

TECHNICAL SKILLS

Languages: C++, JavaScript, C, SQL, HTML/CSS

Frameworks & Libraries: React.js, Node.js, Express.js, Next.js, LangChain, Tailwind CSS

Databases & Tools: PostgreSQL, Git, GitHub, VS Code

CS Fundamentals: Operating Systems, OOP, DBMS, High-Level System Design

PROJECTS

ClipSage – YouTube RAG Assistant | *React, Express.js, PostgreSQL (pgvector), LangChain, Groq, Gemini API*

- Built a full-stack RAG application that fetches YouTube transcripts, chunks them with LangChain's RecursiveCharacterTextSplitter, and stores embeddings in PostgreSQL using the pgvector extension for semantic search.
- Implemented a transcript-grounded chat feature and auto-generated quizzes by retrieving the top-k relevant chunks via cosine similarity search and passing them to Llama 3.3/3.1 models served through the Groq API.
- Added JWT-based authentication and a per-user daily token-quota middleware to track and cap API usage across embedding and completion calls.

PsychoBandhu – Mental Health Consultation Marketplace | *Next.js 14, Supabase, Google Gemini API, Vercel*

- Built a full-stack platform with role-based authentication for Patient, Doctor, and Admin workflows using Next.js 14 and Supabase.
- Developed an AI assessment chatbot with the Gemini API that streams responses and scores likely mental-health conditions to recommend related content.
- Implemented a doctor consultation booking flow with email notifications and enforced data access rules via Supabase Row Level Security policies.

ACHIEVEMENTS & ACTIVITIES

Solved 500+ DSA problems on LeetCode and GeeksforGeeks; regularly participate in LeetCode weekly contests.

Ranked in the top 20 of 150 teams at Buildwars – SpeedDev Challenge (College-level hackathon, 2025).

Temporary Member, NSSS Foundation – conducted career counselling for 70+ Class 10 students under the 'Ghumantu Pathshala' program.

Member, Business Bulls DTU and Mathematics & Computing Society, DTU.
